Enrichment

Make the curriculum come alive for our boys. Work alongside the teachers to organise and facilitate fun, hands-on activities such as Financial Literacy, Science Recycling and Mother Tongue Fun Day!

Pastoral Care & Christian Emphasis

Do you have a desire to share Christian values and principles with our boys? Step forth and lead worship during Chapel, share devotions, pray for our boys and the School or impact values through other PCCE activities.

Learning Support

Lend a hand to our boys in English and Math literacy or be their Chinese Oral Buddy. You may also consider being a Teacher Aide to support the teachers in P1 classrooms. Keen to journey alongside our boys in their learning?

Merchandise

If you enjoy designing and sourcing for unique and useful school collectibles and making a good sales pitch to sell them, come and let your creative juices flow as we bring ACS merchandise to our boys, parents and alumni. Proceeds from the merchandise sales go towards supporting the many activities for our boys!
