TEACHER AIDE PROGRAMME 2025

acsprisp.net

Teacher Aide (TA) Programme is one of the many ways through which the Parent Support Group partners the school to add value to its holistic education.

TAs are a group of committed ACS(P) parent volunteers, equipped to assist teachers in P1 classrooms. In specific cases, TAs work one-on-one or in smaller groups with pupils who may need extra help. In addition, you will be required to chaperone a class on **Learning Journey** days.

WE NEED YOU BECAUSE

You are able to love and embrace all children.

You believe that investment in time in our pupils will make a difference in their development.

You respect every individual and you are able to maintain confidentiality at all times.

You are a team player and will abide by the structure and rules of the school.

TESTIMONIALS

"It is an honour to be Teacher Aide because it allows me, as a parent to contribute back to the school in a meaningful way. It is also a pleasure to see a child grow and progress as he navigates through school life."
~ Chua Boon Leng, TA since 2022

"Serving as a TA, I found myself refining my values of patience, humility and empathy. It is joyful when the boys whom I have helped, acknowledge my presence in their lives. I consider it my privilege to be able to serve and I look forward to more enriching journeys ahead!"
~ Fanny Tan, TA since 2022

"One of my most fulfilling aspects of being a Teacher Aide is to have the opportunity to foster positive relationships with pupils and nurture a learning environment where children can feel motivated and valued."
~ Adrian Yew, TA since 2023
